Hi Everyone,

Hopefully everyone is staying healthy and surviving this pandemic. It's been a long and boring summer with no car shows or cruises to go to. So, before the season comes to a complete halt and the snow flies, I would like to have a cruise afternoon at my house on Oct. 17th. This might be the only chance we have to get together as a club. I think 1:00 PM would be a good time to gather. It will be very informal. Bring your own lunch. We will have soda, water and chips for everyone. Bring a chair and we will be spread out so everyone is safe. We have five acres so there is plenty of room for parking. My address is 552 Franklin Rd. Coventry, RI. It would be nice to see everyone so please make every effort to attend!

Well, It's all together and on the road! I drove it for the first time this week. So far so good. Of course I will have my quarantine project for everyone to see.

Looking forward to seeing everyone, Rick

UPDATES ON SHOWS:

This is where, during a normal season, you would see updates on the remaining shows and meets in New England. Unfortunately, due to state restrictions on travel and gathering, all organized shows were disbanded for 2020. We are looking forward to our continued successes against the virus and look forward to bring you all kinds of show and meet information in 2021!

All is not lost, though: turn the page to see all the details about Rick and Cris' fall gathering!

OCTOBER GET-TOGETHER!

From Cris Bowes:

We hope you're all doing well through this Pandemic. If you're like most of us, you are missing your Falcon friends and seeing everyone's cars too. Our National Meet and our Regional Meet were both canceled, as well as most car shows around the country. The Northeast Chapter hasn't gotten together since October of 2019. We would like to get people together for a socially distanced visit on October 17, 2020. Rick and I have been living with Rick's dad since December after his mom passed away. We have five acres and are able to park our cars on the lawn and to spread ourselves out so nobody is crowded. Bring your masks (we will be outside so it may not be necessary) and we will have hand sanitizer for those who need it.

The idea for our get-together is to bring your own chairs and whatever food you would like to eat for our gathering. Preparing foods to serve is one of those items that is still not allowed. We will have tables set up for anything you would like to share. If you would like to share, please wrap items individually so people are not sharing serving utensils. We will provide plates, utensils, bagged chips, water and soda.

The address is 552 Franklin Road, Coventry, RI.
You can reach me at 401-529-2622 and Rick at 401-529-8840 if you have any questions. You can also reach Rick at Falconsprint@aol.com.
Please let us know if you are able to join us.

Thanks and hope to see you soon.
